1. I, the undersigned, a shareholder in Acum, do hereby assign to Acum Limited, a society of composers, authors and music publishers in Israel (herein: "Acum"), in consideration of all the rights and services received and to be received by me from Acum, the following rights of the copyright in all my works, whether finished or unfinished, whether created in the past or to be created in the future, as a composer and/or as an author ("the Works"), except for the rights set out in Clause 2 herein.

The following are the rights assigned by me to Acum.

- (a) The right of public performance of the Works, i.e. the right to perform in public a musical or a literary work in Israel and in any other place in the world, by any means and in whatever manner.

This right does not include stage performance of a dramatic work or a dramatic-musical work, whether in whole or in a substantial part, e.g. a show in a theatre or an opera or a musical.

- (b) The right of broadcasting of the Works, i.e. the right to broadcast a musical or a literary work, whether alone or together with an audio work or an audio-visual work, whether by land line, wireless, digitally or in any other manner.
- (c) The right of reproduction of the Works, i.e. the right to reproduce a musical or literary work by means known today or to be developed in the future, including the reproduction of sounds and pictures.
- (d) The right of synchronization of the Works, i.e. the right to reproduce a musical or a literary work in the sound track of an audio-visual work.

This right does not include: the reproduction of a dramatic or a dramatic-musical work in whole or in a substantial part; the reproduction of a literary work adapted for a script; and the reproduction of an invited work authored especially for an audio-visual work.

- (e) The right of making the Works available to the public, i.e. the right to do an act in the Work, so that the public shall have access thereto in a place and at a time of their choosing.
- (f) The right of copying of the Works, i.e. the right to copy graphically in print, or by any other means, a musical or a literary work in its original form or after adaptation or editing.

This right does not include: a Work which has not yet been printed and published, a copy of a whole novel or a whole play, a collection of works authored by the same author, a concert or an

opera in whole and a musical work which is not a song, whether with or without words.

2. The rights which I assign to Acum under Clause 1 above do not include the following rights:

- (a) The right of translation and/or adaptation of a literary work. This right is reserved to the original author and therefore a translator or an adaptor must receive the consent of the author for translation or adaptation.
- (b) The right of adaptation of a musical work. This right is reserved to the original author and the adaptor must therefore receive his consent before making an adaptation.
- (c) The right to convert the work from one medium to another. This right is reserved to the original author and therefore his consent is necessary for any conversion of the work, e.g. converting a literary work into a play or a show.
- (d) Any other right which has already been assigned by me to another or other persons prior to my execution of this assignment, as set out in the enclosed list.

I declare herewith that the enclosed list mentioned above is correct and complete.

In the event that it is found that I assigned to another person any right in a Work prior to my signature on this Deed and as a result thereof, Acum shall have to pay to another person any

amount of money, I do hereby undertake to refund to Acum immediately upon its demand any such amount.

Retirement from Acum

4. This Deed of Assignment shall cease to have effect as soon as my membership in Acum is terminated, subject to Acum's Articles of Association.
5. Notwithstanding the provision of Clause 4 above, all licenses granted by Acum to third parties in respect of the Works shall remain in force and valid until the end of the period for which such licenses were given.
6. Upon my death, my membership in Acum shall not terminate and my rights shall be transferred to whoever is chosen by my legal heirs, as appointed by a competent court. Until such heir is chosen, Acum shall be empowered to administer and enforce the rights assigned to it under this Deed, in order to ensure the rights of my estate.
7. This Deed does not derogate from any right assigned by myself to Acum under another Deed of Assignment or another document.

I do hereby acknowledge that I read this document in full and understood its contents.
